

OUR ARBITRATION FINANCING PRODUCTS

1

Arbitration Financing

- We provide non-recourse financing to cover the expenses related to one or more arbitration procedures in exchange of a percentage of the proceeds derived from a settlement or favorable award.
- We share the risk of arbitration procedures and provide financing in any arbitration stage.

2

Debt Arbitration Financing

- We cover the expenses related to arbitration procedures in exchange of an interest rate and a success fee equals to a percentage of the proceeds derived from a settlement or favorable award.
- Gives access to debt financing that are not provided by traditional funding sources.

3

Arbitration Award Financing

- We purchase arbitration awards at a discount rate providing immediate liquidity and preventing the client to incur in additional risks and expenses.
- It could be a total or partial purchase.

4

Pre-Arbitration Financing

- We finance the expenses of any legal, economic or technical assessment of a possible settlement prior to an arbitration procedure (legal or advisory fees and reports, valuations, etc.).
- In case a settlement is not reached between the parties, the client may request additional funding to cover the expenses of the arbitration procedure.
